Next generation thinning

 perlan™
Maximizing crop value

Fine Americas, Inc., Walnut Creek, CA, is a wholly-owned subsidiary of Fine Holdings, Ltd., a UK-based company with over 25 years of experience in the use and development of plant growth regulators.

Fine focuses on the development and marketing of plant growth regulators for fruits, vegetables and ornamental crops. Fine strives to improve plant growth regulator technology to meet the exacting demands of today's growers.

Fine is committed to helping growers produce top quality crops in line with their customers' needs. Fine currently develops and markets its products in more than 40 countries worldwide.

An on-going program of investment designed to develop new products and enhance product value will consolidate Fine's reputation as a world leader in the field of plant growth regulation.
